

Cashmaster GenuOne

**TRUST EVERY NOTE.
SPEED UP EVERY SALE.**

Why Cashmaster GenuOne?

Cashmaster GenuOne gives frontline teams instant confidence at the till. In under half a second, it authenticates each note with multiple checks, cutting counterfeit risk and keeping lines moving.

Simple prompts and clear results mean less training time and fewer errors on busy shifts.

Designed for Speed and Simplicity

Cashmaster GenuOne slots neatly onto any counter and validates notes. Insert a note to receive an instant pass/fail result with visual and audible cues. Select front or rear note exit to suit your space, and add battery power for mobile use across lanes or locations.

Suitable for

- ✓ Retail
- ✓ Grocery
- ✓ Convenience
- ✓ Hospitality & QSR

Key Benefits

Keep Lines Short

Validate each note in under a second to keep transactions fast and customers moving.

Easy for Any Staff Member

Operate confidently with simple prompts and clear pass/fail indicators.

Cut Fraud Exposure

Detect counterfeit notes instantly with precise, multi-point authentication.

Built for Flexibility

Use anywhere in-store with a compact design and optional rechargeable battery.

Confidence in a Second

Built to verify notes quickly and consistently, Cashmaster GenuOne helps teams protect revenue without slowing service.

Key Features - Cashmaster GenuOne CS
