

# Cashmaster GenuOne

**TRUST EVERY BILL.  
SPEED UP EVERY SALE.**

## Why Cashmaster GenuOne?

Cashmaster GenuOne gives frontline teams instant confidence at the register. In under half a second, it authenticates each bill with multiple checks, cutting counterfeit risk and keeping lines moving.

Simple prompts and clear results mean less training time and fewer errors on busy shifts.

## Designed for Speed and Simplicity

Cashmaster GenuOne slots neatly onto any counter and validates bills in any orientation, drop a bill in and get an immediate pass/fail result with visual and audible cues. Select front or rear bill exit to suit your space, and add battery power for mobile use across lanes or locations.

## Suitable for

- ✓ Retail
- ✓ Convenience
- ✓ Grocery
- ✓ Hospitality & QSR

## Key Benefits

### Keep Lines Short

Validate each bill in under a second to keep transactions fast and customers moving.

### Easy for Any Staff Member

Operate confidently with simple prompts and clear pass/fail indicators.

### Cut Fraud Exposure

Detect counterfeit bills instantly with precise, multi-point authentication.

### Built for Flexibility

Use anywhere in-store with a compact design and optional rechargeable battery.
